

The Middleburg Institute

# POLICY SIMULATION

## *and Grassroots Soiree*

Are you passionate about supporting low-income Louisiana families and eager to enhance your advocacy skills? Have you ever wondered why our state legislators appear hesitant to pass legislation that could positively impact millions of Louisianans? If so, then register now for The Middleburg Institute's Policy Simulation! Join us in making a difference and gaining valuable insights into effective advocacy. Together, let's empower change and create a brighter future for our communities.

### EVENT HIGHLIGHTS

#### Active Advocacy Awareness

Engage in a live simulation that vividly demonstrates the influential role of advocacy in shaping policies that directly impact Louisiana families.

Step into the shoes of state legislators, experiencing the complex decisions involved in legislating crucial policies like the Child Tax Credit.

Explore practical and innovative solutions alongside legislators and fellow policy advocates, actively contributing to the creation of impactful, positive change.

#### Powerful Policy and Grassroots Guides

Gain valuable insights from distinguished experts in policy impact and grassroots advocacy from The Middleburg Institute.

#### Delicious Food

Enjoy a delectable variety of refreshments throughout the event.
